

CLEVE BAILEY IS SURE SEASON HAS NOT ENDED YET

Gum, Malbert, Sporting Editor, The Times-Dispatch.

In justice to the managers of the various teams in the Capital City League and to the baseball public generally, would you kindly publish the following reply to certain stories which have been given some publicity. It is not up to President Eaton of the Capital City League, to stop the playing season of his league. The winning of the championship was not settled Saturday last; it is a matter for the commission to determine whether the league shall be closed before the final game is played this coming Saturday. If Philadelphia and Boston in the American League should happen to be tied when they play their next series, and should Boston win, will President Han Johnson call the league season at an end and let the Philadelphia Athletics play practice games? The same condition exists in the Capital City League, and just because the Battle Axe and Collegians were tied on last Saturday and the Battle Axe won is no reason why the league should be closed.

Such a line of reasoning shows but little knowledge of the rules of the commission. To attempt to get together a team under the name of the Southern Bell, with Canepa, a crack pitcher, in the box, merely to take a possible fall out of the Battle Axe team, is laughable. The rules clearly state what and what is not permissible on and after July 15, and Canepa, or any other "crack players," to now play with the Southern Bell team, and the game count for anything, is beyond the bounds of reason. The Southern Bell did not forfeit to the Collegians on their last scheduled game. The game was played and stopped on account of rain after four and a half innings was played, with the Collegians winning by the score of 4 to 0. The only game forfeited to the Collegians by the Southern Bell team was a game postponed from the early part of the season, and certainly was not "the last scheduled game." The Southern Bell team, in their last appearance, against the Collegians played to win. As to the question of superiority of the Battle Axe and Collegians teams, that is not pertinent, and is more a matter of personal opinion than otherwise.

I made the statement to Mr. Lewis, and have a witness, who he names, that the game Saturday between the Battle Axe and Collegians practically settled the championship. I did not say that I was "settled" definitely, for that would be going too far. I thought that we had rather an easy game with Ashland, and had the same opinion with respect to the Battle Axe-Southern Bell game, but that the championship is settled definitely, I am far from certain. Should the Southern Bell defeat the Battle Axe team on Saturday and the Collegians, Ashland, then the race is again a tie and would have to be played off under conditions and rules of the commission.

The Collegians have not four forfeited games to their credit, and the Battle Axe have more than two. The first forfeited game of the season went to the Battle Axe team when Ashland failed to show up for the game, and picked up a player to complete the nine. Dr. Parker insisted that because it was after July 15, when no new names could be added, that the game be forfeited before he would start an exhibition game, and Manager Hart, of the Ashland team, was compelled to concede.

The Athletics forfeited a double-header to the Battle Axe, although it is a strict violation of and not permissible under the rules of the American League, (under which I understand the Capital City League is playing), to forfeit a double-header unless both scheduled games are not scheduling them, therefore strictly speaking the Athletics could only forfeit one game in the Battle Axe, yet they were allowed two.

The same team forfeited to the Collegians, and on our claiming two games were forfeited and had to play the other game off in the middle of the week, which was also forfeited. When we asked the Southern Bell team to play off a postponed game by double-heading, they claimed as their

excuse, inability for the men to get off, but very nicely agreed to play any time in the week we would call the game, which was done and Manager Black was unable to get his men out. The claim of unfairness towards the Battle Axe team is certainly straining a point, and certainly does not look well coming from a member of the Amateur Commission. Dr. Eaton certainly had no knowledge of any agreement between the managers of the various teams to call the season closed after last Saturday; else why in an interview with the Sporting Editor of the Washington Post on Monday, give out a statement contradicting this.

The early part of last week Manager Hart, of the Ashland team, sent out letters calling together the strongest possible team to play the Collegians provided they won from the Battle Axe, and there has certainly not to the knowledge of any one connected with the Collegians been any idea of but what they would be compelled to play the last game with the Ashland team, which they still purport doing.

We have our rules the same as any other organization, and as a member of the Collegians I can say that we intend playing the season out, which winds up next Saturday, and should we be fortunate enough to again tie up with the Battle Axe, to play on the tie at the time and place set by the commission, not by the managers of the other teams.

Trusting that I have not taken up too much of your time in the perusal of this, and that your columns are open—as has always been the case—to the republishing of statements that carry no light, I am,

Very truly yours,
Signed, J. C. BAILEY,

mirably during that box and nearly came off unscathed in the seventh. That same Brauer started off with another wallop, tagged for two cushions and Finneran placed him on third with his bunt. Keller was out from Bussey to Bailey without great effort, but Keller, showing his managerial proclivities, lounded at Griffin's feet and beat it out, which scored Brauer the second time. Dodge followed with his double and Kirchner counted, bringing the total number of runs in the opening column to five, while the Colts' total remained at one.

Joe Finneran hurtled another good game, which is partly responsible for his victory. He held the Colts to hits and the opportunities for scoring were rather sparse. The one count came before Joe really got started. It must not have been looking while it was being made home.

Griffin tapped lightly to his usual covered spot down third base line and pulled up winded at second. Gray pulled to center, scoring Griffin. That tells the story of the whole game so far as Richmond is concerned.

The coach looked good after that and the rally began. Lived. As a matter of fact it didn't. The two were out. Then Burke and Tennant each hit, but Rogers popped to Dodge, ending the contest.

The story is that Richmond was beaten by the club playing the better game. And Emory O'Brien did great work. The score:
